Our team is prepared to take the proper precautions necessary to ensure students are safe. Details on protocol and precautions are changing daily. What will happen at Summer Retreat?

Sessions / Worship

There will be several sessions provided for students to engage in worship and receive God's word, as well as a time for question and response. Students will be challenged to follow Jesus and encouraged to live Spirit-filled lives. There will also be moments for leaders to minister to students one-on-one.

Color Clans

Each student will be placed on a team with a team leader and a team color. Throughout the weekend, students will compete with their team in various competitions and challenges. Team colors will be announced by July 27 for students to gather clothes to support their team color.

Snacks / Drinks

Students are not required to bring any money to Summer Retreat. All meals, snacks, and drinks are covered in the cost of the weekend.

Medications / Allergies / Inhalers

All medication should be taken at home. There will be no medication allowed on campus, besides what is prescribed as an over the counter medication by the nurse, for the safety of all students. If a student has any medical or food allergies, you must inform our team at registration in order for our team to make proper accommodations. If you require an inhaler for asthma or any other medical reasons, you are required to bring your own inhaler. There will NOT be an inhaler on-site. We will have a nurse on duty in case of medical emergency.

Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

Abundant Life Church has put in place preventative measures to reduce the spread of COVID-19; however, Abundant Life Church of Bryant cannot guarantee that you will not become infected with COVID-19. Further, attending an event at Abundant Life Church could increase your risk of contracting COVID-19.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I may be exposed to or infected by COVID-19 by attending an event at Abundant Life Church, and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Abundant Life Church staff and students, and other volunteers, participants, and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I may experience or incur in connection with my attendance at Abundant Life Church. On my behalf, I hereby release, covenant not to sue, discharge, and hold harmless Abundant Life Church, its employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of Abundant Life Church, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any event held at Abundant Life Church.
